

**Remarks/Arguments:**

This is a response to the office action of March 13, in claim 1 was finally rejected under section 112 on the ground the last three lines were indefinite. We have amended those lines using “means” format conforming to the language of the specification (page 11, lines 23 - 24). We believe the change to claim 1 place this application in condition for allowance.

Respectfully submitted,

/Charles Fallow/
